### \*DNB Healthcare Prize 2015

DNB wants to contribute to a growth industry in Norway and has established a healthcare prize for early stage healthcare companies within pharmaceuticals, biotech, medtech and diagnostics. Companies will be evaluated on their business potential, innovation capacity and ability to execute.

The prize is NOK1m and the six finalists will each hold a six-minute pitch for the jury and the audience. You are invited to vote for your favourite candidate.

Please join us and our **CEO, Rune Bjerke**, when we announce the winner of the **DNB Healthcare Prize 2015**.

We look forward to seeing you.
