

DNB Nordic Healthcare Conference 2016

15th September, at DNB's headquarter in Bjørvika, Oslo

DNB

About the conference

- We are pleased to invite you to our Seventh annual Nordic Healthcare Conference.
 - The conference consists of three parts; the listed Session, the venture Session and the DNB Healthcare Prize.
 - Listed Session
 - Companies will present themselves and institutional investors will have the opportunity to meet senior executives in one-to-one sessions.
 - Venture Session
 - Arranged by DNB and organized together with health technology cluster Oslo MedTech, gives the 20 most promising healthcare startups the opportunity to present themselves to investors and potential partners.
 - DNB Healthcare Prize
 - For the second year in a row, the DNB Healthcare Prize will be presented at the Nordic Healthcare Conference. DNB wishes to contribute to an industry in growth in Norway and has established a healthcare prize for early-stage healthcare companies within pharmaceuticals, biotech, medtech and diagnostics.
 - In the final, on 15 December, six finalists will have the chance to win NOK 1 million! The audience is invited to vote for their favorite candidate. Please join us and our CEO, Rune Bjerke, when we announce the winner of the DNB Healthcare Prize 2016.
- *Please notice that the registration for the DNB Nordic Healthcare Conference 2016 will open at the end of October.*
