

Interim Guidance Pertaining to Coronavirus/COVID-19

Effect: March 12, 2020 until further notice

To: Oslo Cancer Cluster Incubator tenants and visitors

From: Oslo Cancer Cluster Incubator

Information about Coronavirus may be found at: <https://www.fhi.no>

The following is intended as interim guidance. Please consult your individual organization about their specific policy and recommendations. Ongoing efforts are in place at Oslo Cancer Cluster Incubator to monitor Coronavirus. Please be advised of the following as a part of collective efforts to minimize risk factors:

Wash your hands and use hand sanitizer.

- Please wash your hands more frequently. Additional hand sanitizers have been ordered and will be provided throughout the facility.

Cleaning protocols to disinfect are in place and will be adapted as needed.

- Commonly touched surfaces will be disinfected more frequently (door handles, entrance keypads, counters).

Personal contact – suggestions.

- Personal contact such as handshakes, should be avoided/limited.

Limit exposure for larger gatherings and use t-con where possible. Consider who you meet (particularly if they/you have been traveling).

- Consult with your specific organization and the website above for additional guidance.

Travel

- Consider your travel plans and participation at large gatherings. Consult the website above for the most recent updates regarding travel advice.
- For anyone who has been in an area where Coronavirus is widespread, it is recommended that this person should be home 14 days after arrival, regardless if they have symptoms or not. Please consult your organization about their policy/recommendation.

Feeling Unwell?

- If you are not feeling well, the general recommendation is to call your doctor (fastlege or legevakten) before you consider/make an on-site visit.

Oslo Cancer Cluster (OCC) and Oslo Cancer Cluster Incubator Duty Roster

- The Norwegian Minister of Health recommended “Home Office” for larger organizations. For the time being, OCC and OCC Incubator will have home office, with a “Duty Roster” in place.
- Please contact Bjørn Klem, General Manager, Oslo Cancer Cluster Incubator if you have any questions. Email: bk@occincubator.com
