Ever wondered where debutante companies launch?

BIO-Europe Spring is the must-attend partnering event in Europe. Top pharma and biotech companies use this event specifically to find new companies like yours.

Wondering how to participate?

In-licensing companies plan their meeting schedule weeks prior to the event, so register early. Participate in the partnering process to build the relationships that lead to licensing deals

It's easy: **Profile ▶ Request and Respond ▶ Attend online meetings**

Benefits of BIO-Europe Spring Digital:

- Access to 2,500 international dealmakers
- Be found simply by entering details of your company
- Showcase your “in development” and “ready for licensing” assets with rich profiling
- Clinch key meetings in advance, giving you time to prepare your pitch deck
- Get the right people around the virtual table by including your colleagues with the 5 for 1 pricing

Still hesitant?

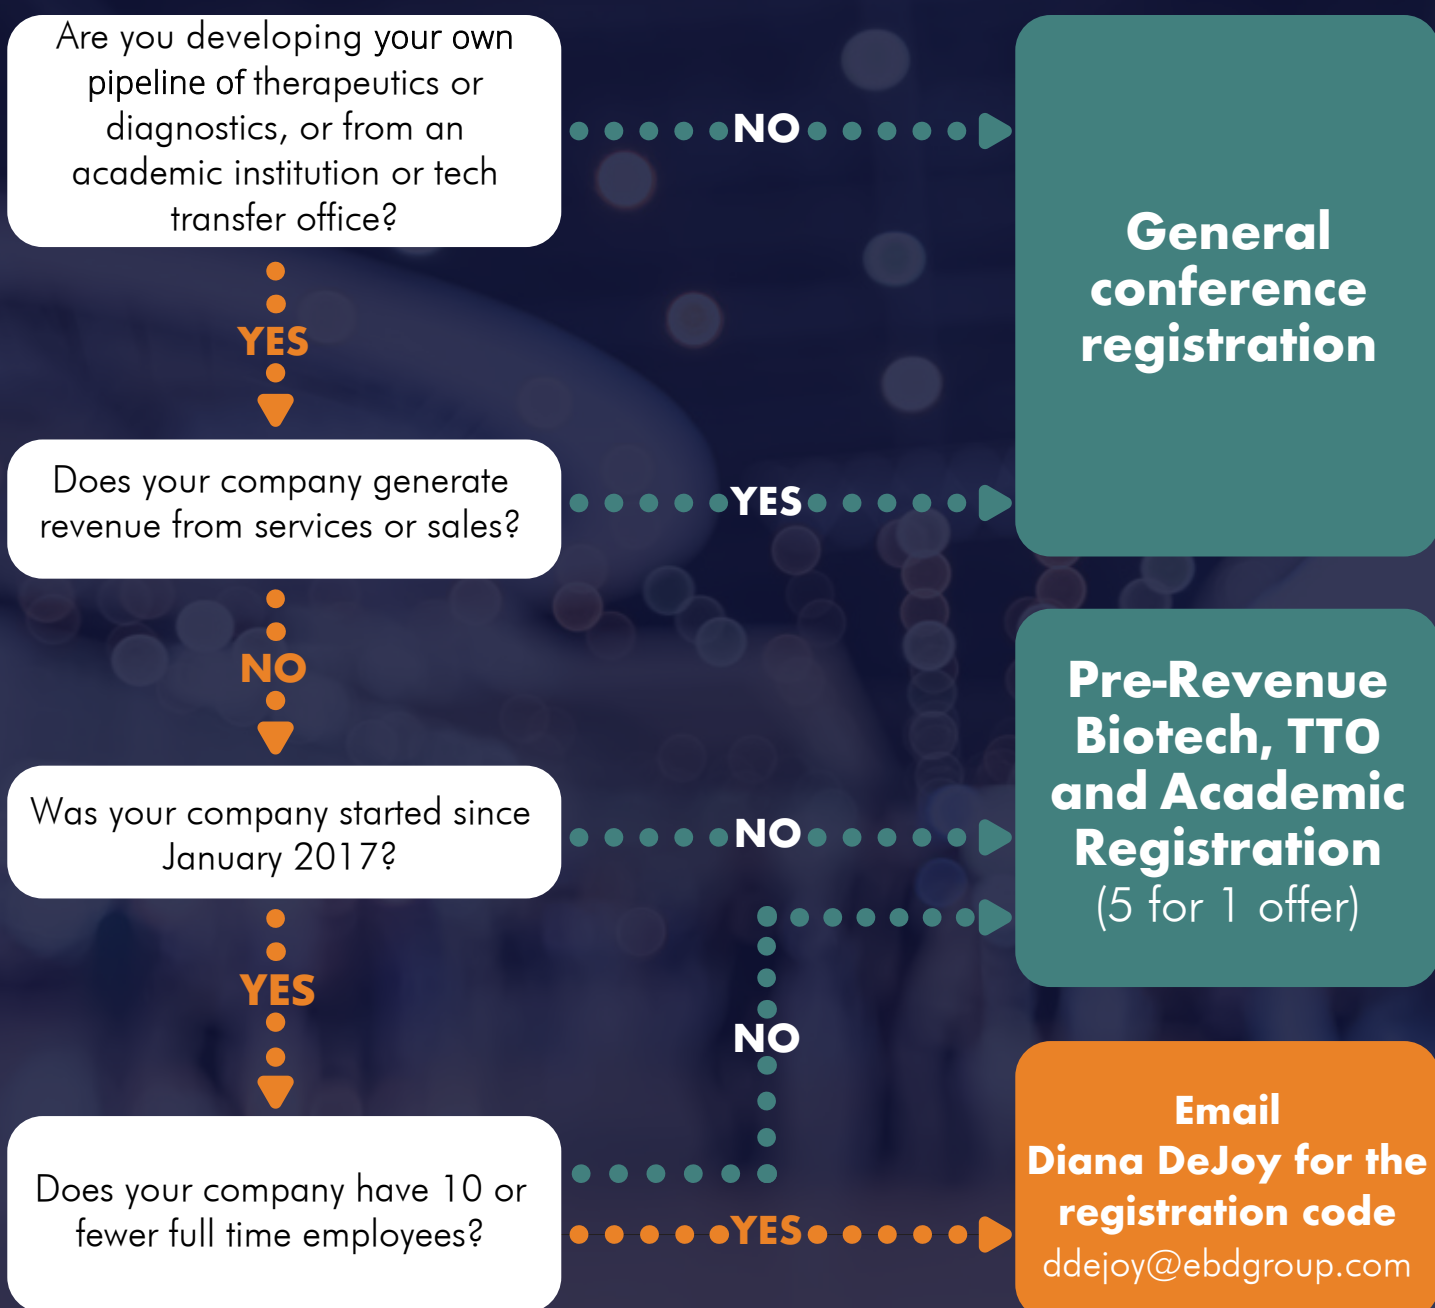

Join a webinar before partnering even opens to learn the tricks of maximizing your ROI at BIO-Europe Spring Digital: Jan 19, 14:00 GMT
